

SAUSAGE GUN

Application Gun For Foil Sausages

Technical Data Sheet

GUNS & ACCESSORIES RANGE

Description:

A 600ml sausage gun applicator for use with single component materials in sausage format. Can also be used with standard cartridges.

Features & Benefits:

- ◆ Fully enclosed.
- ◆ Thumb trigger pressure release.
- ◆ Easy front-loading with quick screw system.
- ◆ Sturdy aluminum construction.
- ◆ 25:1 thrust ratio.

Uses

Withdraw the rod from the barrel by pushing the trigger/rod release plate forward whilst pulling on the rod. Cut the nozzle diagonally to the required hole size. Unscrew the black end cap from the gun and insert the nozzle.

Cut the end of the sausage and slide this into the gun, open end at the top and screw the black end cap into position. Pull the trigger to push material out of the sausage.

Once the sausage is empty, withdraw the rod as before, unsecure the end cap and remove the empty skin. Replace with a fresh sausage and continue.

When using with a standard mastic cartridge, remove the barrel, unscrew the nut on the end of the rod to remove the pusher plate.

On the other end of the rod is the piston pusher, unscrew this and swap the two over, tightening the securing nuts. Re-assemble the barrel.

Size

Will accommodate a 600ml foil sausage.

Colour

Silver and black.

Disposal Of Containers

Do not leave unused product or discarded materials on site where it could be harmful to children, animals or the environment. Remove to a central disposal point in accordance with local regulations.

Health & Safety

This product will cause no major hazard or problem to the users health. Please refer to separate safety data sheet (SDS) for full handling, use and storage instructions. Keep out of reach of children. It is the user's responsibility to determine suitability for use. If in doubt, contact our Technical Department for advice.

Note: this information is for general guidance only, since site conditions and labour are beyond our control.

Specification Summary

Barrel Material	Anodised aluminium
Mechanical Advantage	25:1
Total Weight	700g
Barrel Length	380mm
Internal Diameter	50mm
Commodity Code	8424200000
