

# DRAIN BLASTER

## Powerful Sink and Drain Unblocker

### Technical Data Sheet

### CLEANING RANGE

#### Description:

*A sodium hydroxide based drain unblocker for dissolving blockages and eradicating bad odours.*

#### Features & Benefits:

- ◆ Dissolves blockages in 15 minutes.
- ◆ Kills germs and eliminates bad odours.
- ◆ For use in sinks, showers and bath plug holes.
- ◆ Safe to use in all pipes.
- ◆ Sinks through standing water.

#### Uses

Suitable for unblocking drains and dissolving blockages in sinks, showers and pipes. This product is not for use in toilets.

#### Limitations

Avoid contact with gold plated fittings. Do not use with waste disposal units or in toilets. Not recommended for systems that run into a septic tank. Important: Open bottle carefully. Do not squeeze bottle. Avoid splashing. When using product, keep hands, face and children away from the treated areas. Do not re use empty bottle. Do not use a plunger after treating a drain with DRAIN BLASTER as the chemical may still be present if the plughole has not cleared totally.

#### Application

1. Pour the entire contents of the bottle down the plughole.
2. Allow to stand for 15 to 20 minutes. For tough blockages leave overnight.
3. Flush through with plenty of hot water.

To keep sinks and plugholes clear, use 100ml of Bond It DRAIN BLASTER once a week.

#### Size

500ml plastic bottle.

#### Shelf Life

24 months from date of manufacture when stored in original, sealed packaging.

#### Storage Conditions

Store in cool, dry conditions between +5 and +30°C. Keep in original container away from extremes of temperature. Keep bottle tightly closed and store upright. Protect from direct sunlight and frost.

#### Disposal Of Containers

Do not leave empty containers where residue could be harmful to children, animals or the environment. Remove any packaging or used material to a central disposal point in accordance with local regulations.

#### Health & Safety

Please refer to separate safety data sheet (SDS) for full handling, use and storage instructions. Keep out of reach of children. It is the user's responsibility to determine suitability for use. If in doubt, contact our Technical Department for advice.

**Note: this information is for general guidance only, since site conditions and labour are beyond our control.**

## Specification Summary

Appearance	Colourless liquid
pH	>12
