

THREADSEAL PTFE TAPE

Non-Adhesive Plumbers PTFE Tape

PLUMBERS COMPLETE RANGE

CLASS
BS6920

Description:

A non-adhesive tape. Suitable for use with thread fittings. Conforms to BS 6920.

Uses

For thread sealing of plumbing pipe work.

Suitable for use with plastic, brass and other metal fittings/ pipes. Ideal for radiator tails and male tapered pipe threads.

Note: this product is not suitable for use on gas pipes.

Application

1. Ensure surfaces are clean, free from dust and dry.
2. Remove outer packaging from roll of tape.
3. Unwind a small amount of tape from the spool and apply to joint, use the spool to unwind the tape, pulling firmly after the first revolution to secure tape. Ensure the tape does not cover the edges of the thread as this can break off and flow into water system.
4. Simply pull the tape when application is complete and it will break off neatly. If the tape does not lie flat on the thread, press and smooth it down before connecting pipework.

Storage Conditions

Store in a cool dry place. It is the users responsibility to determine suitability of use of this product.

Shelf Life

Indefinite if stored correctly.

Disposal of Containers

Do not leave empty containers where residue could be harmful to children, animals or the environment. Replace lids and remove any containers to a central disposal point in accordance with local regulations.

Health & Safety

Please refer to separate material safety data sheet for full handling, use and storage instructions. Keep out of reach of children. It is the users responsibility to determine suitability for use. If in doubt contact our Technical Department for advice.

Note: this information is for general guidance only, since site conditions and labour are beyond our control. It is recommended that users make their own tests to determine suitability.

Specification Summary

Flammability	Non-flammable under 371°C
Temperature Range	-190 to +370°C
High Pressure Resistance	150 - 200 Kg/cm ²
Tensile Strength	≥ 8Mpa
Percentage Elongation	≥ 25%

Product Details:

Code:	BDPTFE12
Colour:	White
Size:	12mm x 0.075mm x 12M
Barcode:	5060021369482

Part of the Bond It Plumbers Complete Range

The data presented in this leaflet are in accordance with the present state of our knowledge, but do not absolve the user from carefully checking all supplies immediately on receipt. We reserve the right to alter product constants within the scope of technical progress or new developments. The recommendations made in this leaflet should be checked by preliminary trials because of conditions during processing over which we have no control, especially where other companies raw materials are also being used. The recommendations do not absolve the user from the obligation of investigating the possibility of infringement of third parties rights and, if necessary clarifying the position.

Recommendations for use do not constitute a warranty, either expressed or implied, of the fitness or suitability of the products for a particular purpose.
