

SOCIAL DISTANCING TAPE

Ultimate High Strength Water Resistant Heavy Duty Tape

TIGRIS TAPE RANGE

Description:

A tough, yellow and black striped PVC hazard warning tape, which is abrasion resistant and has a high bond adhesive system.

Uses

Ideal tape for social distancing markers. Can also be used to cordon off hazardous areas and to mark out incident scenes, race courses, construction areas, etc. Very durable and resistant against abrasion. Flexible coating and has a high strength clear adhesive for bonding material to substrates.

Preparation

Ideally surfaces should be clean, dry, structurally sound and free from grease, oil, any other contaminants that may hinder adhesion.

Colour

Available in yellow/black.

Size

50mm x 33M rolls.

Shelf Life

Maximum 5 years from date of manufacture.

Storage Conditions

Store in cool, dry conditions.

Disposal of Containers

Do not leave unused product or discarded material on site where it could be harmful to children, animals or the environment. Remove to a central disposal point in accordance with local regulations.

Health & Safety

This product will cause no major hazard or problem to the users health.

Please refer to separate material safety data sheet for full handling, use and storage instructions. Keep out of reach of

children. It is the users responsibility to determine suitability for use. If in doubt contact our Technical Department for advice.

Note: this information is for general guidance only, since site conditions and labour are beyond our control. It is recommended that users make their own tests to determine suitability.

Specification Summary

Thickness	0.13mm
Tensile Strength	27n/cm
Elongation at Break MD	160%
Test Temperature	0-80°C
Steel Adhesion	1.8N/cm

Product Details:

Colour:	Yellow/Black
Code:	BSDT50
Size:	50mm x 33M
Barcode:	5060021373175
Will change to 5056437400055 on next re-print	

Part of the Bond It Tape Range

The data presented in this leaflet are in accordance with the present state of our knowledge, but do not absolve the user from carefully checking all supplies immediately on receipt. We reserve the right to alter product constants within the scope of technical progress or new developments. The recommendations made in this leaflet should be checked by preliminary trials because of conditions during processing over which we have no control, especially where other companies raw materials are also being used. The recommendations do not absolve the user from the obligation of investigating the possibility of infringement of third parties rights and, if necessary clarifying the position. Recommendations for use do not constitute a warranty, either expressed or implied, of the fitness or suitability of the products for a particular purpose.
